

Hull, W.

London, Ont.

Dec 1912

December 22nd, 1913

Dr. Hill,

Department of Public Health,

London, Ont.

My dear Dr. Hill:

The estimates in the various departments for the present year for which you ask are as follows:

Department.	Salaries.	Maintenance.	Number of students.
Physiology	\$9,000	\$1,750	392
Biochemistry	6,525	1,500	392
Pathology and Bacteriology	9,275	1,650	424
Chemistry	17,900	2,600	537
Hygiene	2,000	225	150
The Pathological Museum is included in Pathology and Bacteriology.			
Physics	18,633	4,600	591

The students in these various departments are as you know large.

Yours sincerely,

President.
